## District Tournament 's Underway Here

### Grayling Meets NEMC Champs

Cardinals wound up their season last Friday night with a 71 to loss to Roscommon. The Bob is lost to Alcona 74 to 65 in both m's tuneup for the tourney. Admission to cage tournament games is set by the Michigan High School Athletic Association and will be: adults \$1.00, students 50c. ### Okay Grayling Public Housing

President Leon Rochette, Executive Director Lora Gould and Commissioner Arnold Mauren of the Grayling Housing Commission were in Chicago Tuesday through Thursday of last week for a review by the P.H.A. of Grayling's project. The review was made Wednesday and project approved except for a few changes requested of the architect. Thursday Mrs. Gould worked with the bookkeeping department setting up the books on the Grayling project. Another appointment with the Administration has been made for March 21st for further review and approval.

### New County Building Site Selected

The site for a proposed new Crawford County building has been decided upon by the County Building Authority, chairman Olin Williamson advised the Avalanche. The site selected is at the west end of Michigan avenue across the NYC railway tracks.

New York Central has agreed to sell to Crawford County a plot of 3.2 acres which includes a small amount of frontage on the AuSable River. The Authority was requested by New York Central to make a formal offer for the site. This offer was forwarded to New York Central last Friday by a special delivery letter.

The offer will be considered in New York City by the railroad's board of directors. It is expected that a reply will be forthcoming within a month or so.

The site was selected over four others proposed by the engineering and architectural firm of Harley, Ellington, Cowan and Stirling, Inc. which was retained by the Authority to do site and space analysis surveys for the new structure.

Test borings have been made at the site which spreads northward from the river to close to Ottawa street. No water problems were found by the borings which will mean easy substructure construction and no problems in basement design.

The present proposed site won out over the others in that it was very centrally located and enough space was available to build a one story building with adequate space left for landscaping and sufficient for auto parking.

The other 4 sites proposed were the present one which would have necessitated a two story building, another would have been at the northeast corner of the extension of Michigan avenue and the County Road; a third was south of the airport and west of McClellan st., and the fourth across US-27 from the new City Hall.

Mr. Smith will have a partner, Gary Johnston, native of Roscommon, who recently completed his required military service and was discharged from the Air Force where he had served as a jet plane mechanic. Mr. Johnston, his wife, two daughters, seven and four, and one son, two years old, also expect to move here in the future.

The contest was held in the auditorium of the Grayling Elementary School. Mike Worden served as chairman for the evening's event.

### Grayling High Skiers Defeat Gaylord Teams

The Grayling High School ski team last Thursday was host at the annual Grayling-Gaylord Friendship meet at the Grayling park and managed to win all but one event. The boys' team won the slalom event with a total time of 311.3 seconds to Gaylord's 356.3 seconds. The giant slalom was the only event Grayling skiers lost. Gayling's time for this was 158 seconds to 189.3 seconds for Grayling. The large margin posted on the slalom for Grayling allowed them to carry over a winning total time of 497.6 seconds to Gaylord's 514.3.

The girls' team did just a little better than the boys, and won the slalom, giant slalom and combined times. The Grayling girls' time for the slalom was 214.1 seconds to 240.4 for Gaylord, and for the giant slalom 158.3 seconds over Gaylord's 191.9 seconds. Combined times were Grayling girls 372.4 seconds and Gaylord girls 432.3.

Combined boys and girls times for the meet were Grayling, 870 to Gaylord's 947.6.

Individual places in the meet were as follows: Bill Gould, 1st in slalom, 3rd in giant; Fenn Welch 2nd slalom and DQ; Mark Day 5th in slalom, 7th in giant; Tom Hatfield 6th in slalom and DQ; Mike Roper 6th in slalom and DQ; Paul King DQ in slalom, 5th in giant.

## Vote On Community College This Monday

### Voters To Receive Three Ballots

On Monday, March 7th, the registered voters in the C.O.O.R. Intermediate School district comprised of Crawford, Oscoda, Ogemaw and Roscommon counties are to decide whether a Community College within the district will become a reality.

In Crawford County those living in the Frederic School District will cast their ballots at the Frederic High School and in the Grayling School District at the Grayling High School gym. The polls in both places will be open from 7:00 a. m. until 8:00 p. m.

There will be three ballots. Proposal number one briefly asks "Shall a Community College be established in the Crawford, Ogemaw, Oscoda and Roscommon Intermediate District?"

### Park Lodge On The Way

Several carloads of material for the polyhedron building from the New York World's Fair left there Friday and were to arrive in Grayling early this week. Foundations for the building are being erected and slow but sure progress is being made toward an unusual attraction.

The building will become a lodge when completed, which happy conclusion is projected at present as in June.

Many people besides skiers have been visiting the Grayling Park to watch the new snow machine which was put into operation February 17th for the first time and ran almost continuously, night and day, for the first week, enabling the park to offer skiing for several days. Last Thursday the Grayling-Gaylord high school ski meet was transferred to the Grayling park because of the new-made snow there, and because Gaylord did not have enough of the natural product.

### Plan Local Medicare Enrollment Session

Special interviewing hours for Medicare enrollment of area residents were announced today by E. O. Wiles, District Manager of the Social Security Administration. A representative from the Traverse City District Office will be at the Court House in Grayling on Friday, March 11th between 10:30 a. m. and 2:30 p. m.

M. Wiles urged those past 65 and not yet enrolled to take advantage of this opportunity. He pointed out that all citizens and resident aliens over 65 are eligible for Health Insurance Benefits under the Medicare program. This includes those who have never worked under social security as well as those who have not yet retired.

Persons applying should bring with them a birth or baptismal certificate, if available, or the oldest available record showing their birth date. However, the filing of an application should not be delayed because you don't have such a record. The Social Security Office can advise you about getting such records when you apply.

### Plan Special Music Program Next Monday

A special music program for Grayling music lovers will feature the brass ensemble of the Interlochen Arts Academy on Monday, March 7, at 8 p. m. in the Grayling Elementary School. It is unusual for them to go outside of town if they are not on tour. The Grayling Woman's Club is having this group as a regular program and invites all band students, their parents, and teachers to attend.

### HUGH RHYNARD DIES SUDDENLY

Hugh M. Rhyndard of 114 Barbara Street, Grayling, died suddenly Friday, February 25, 1966, while ice fishing on Lake Margrethe. Funeral services were held at 2 o'clock Monday at the Dodge Funeral Home in Middleton and interment was in the Fulton Cemetery in southern Gratiot County.

Mr. Rhyndard was born in southern Gratiot County to Mr. and Mrs. Charles Rhyndard on September 28, 1900. A tool maker and machinist by trade, he moved to Grayling in 1964 after retirement. He is survived by his wife, Elsie; a son, Norman of Detroit; two daughters, Lorraine Monos, of Detroit, Wash., and three grandchildren; three brothers, Lynn of St. Johns; Jason of St. Johns and Jasper of Alma; as well as one sister, Louise Cooper of Middleton.

Attending from here were Mr. and Mrs. Bruce Carlson.

### Local Woman's Mother Passes Last Friday

Mrs. Anna Duerstein, 91, passed away early Friday morning, February 25, 1966 at the home of her daughter, Mrs. Earl Nelson. Funeral services were to be held in Wausau, Wisconsin on Monday at the Ritter-Deutsch Funeral Home. Further information was not available at the time of publication.

### CONGRESSMAN'S STAFF MAN HERE ON MARCH 9th

Congressman Elford A. Cedarborg's 10th District staff member will make his March visit to Crawford County on Wednesday, March 9th. Mr. Cedarborg is a member of the House of Representatives and is currently completing 13 months of duty.

Mrs. Cedarborg is also a guest of the club for the evening as were several members and friends of the Grayling Women's Club.

### Kiwanis Club Notes

By Wes LaGrow

This week's meeting of the Kiwanis Club of Grayling was held Monday evening at the Grayling Women's Club building. A group of seven Kiwanians from the Houghton Lake Club were in attendance for an interclub meeting. A report was given on an interclub meeting that Grayling held with Gaylord there the previous week.

The evening's program was in charge of Jack Wainwright who presented Major Mike Steger who gave a very interesting and informative talk on his recently completed tour of duty in Viet Nam. Major Steger, of the U. S. Air Force, told of his experiences as an advisor to the South Vietnamese Air Force and his impressions of the country, as a result of his recently completed 13 month tour of duty. Mrs. Steger was also a guest of the club for the evening as were several members and friends of the Grayling Women's Club.

Proposal number two asks "Shall a tax of 1 mill be levied to establish, build and operate a community college within the four counties?"

The Community College, if approved, will be governed by a board made up of six members. Ballot number three is for the purpose of selecting these members.

There are three candidates running for the six year term, four for the four year term and six for the two year term. Two members for each term are to be chosen. Locally Robert Bovee is running for the two year term and Norval Stephan for the four year term.

With an expanding population and the change in the kinds of jobs available, existing colleges and universities are being extended to the limit on the number of students they can handle. College campuses can get only so large before their efficiency begins to drop.

Also at the present time only 30% of the graduating seniors (on a state level) are attending colleges. This means that 70%, or seven out of ten children are looking for an opportunity to attend school, not necessarily for college training but technical training. It would appear that a Community College could help fill this need on the local scene.

Locally it has been noted that there is a severe shortage of trained employees in several areas. This type of training could be provided by an area community college.

### Michelson Memorial Plans Lenten Service Series

Lenten Wednesday services begin March 2nd from 3:15 to 3:55 p.m. each week through April 6 at the Michelson Memorial Methodist Church. John Smith this week with his sermon "Who Says So?" is Bob Ashman.

High school students will be released to attend and members of the Protestant community are invited.

SN Peter Funk, son of Mr. and Mrs. Robert Funk of Grayling, has been designated as Sailor of the Month by A. W. Smith, Commanding Officer of the United States Naval Reserve at Cadillac.

Commander Smith said in a written notice to Funk,

"The role and mission of the United States Navy is to organize, train and equip naval forces for the conduct of prompt and sustained combat operations at sea, including operations of sea based aircraft and shore based naval air components."

"By your conscientious drill attendance; your display of sincere interest in self improvement; your careful attention to military bearing and courtesy; your progress in training; you have demonstrated to this command exceptional potential for service to your country in the United States Navy." Commander Smith concluded.

Funk is the second Grayling Naval reservist to win the honor. The first from Grayling was John Engel who was named Sailor of the Month the very first month it was initiated. Funk also set a new record from the Cadillac unit in the Armed Forces Qualification test when he scored 75 out of 76 questions right. This broke the record of yet another Grayling sailor, Jim Perry, who had held the mark up to that time with 74 out of 76.

These young Naval reservists from Grayling have brought not only high honor to their unit but also to their hometown.

## ...and FORGIVENESS

Sin is a disagreeable word that millions shun. It casts a shadow of separation. It raises chill thoughts of an impenetrable and eternal barrier between humanity and God...

Forgiveness on the other hand is a warm and inspiring word. It promises that life's slate can be wiped clean. It brings us close to God — and to one another.

An Execution on a Friday centuries ago... an Empty Tomb in the dawn of the first Easter Day... a Faith that has gripped human souls for all the generations since — these are forever entwined with the stark realization of man's sin and the blessed assurance of God's forgiveness.

That is why, when we think deeply of the meaning of these words — of their implication in our own lives — we find ourselves at the very heart of the Christian religion.

And it is why these soul-stirring weeks at the threshold of Christ's suffering have long been the time for such searching thought!

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## One Man, One Vote...

Over a period of time, the Supreme Court of the United States has handed down a series of decisions which require that states reapportion their legislatures on the basis of population only. These are commonly referred to as the "one-man, one-vote" decisions. The result has been a long and intense controversy which is now from ended.

It has been common for states to establish the legislatures on a basis comparable to that of Congress. One house is apportioned on population; the other on geographical and political considerations as well as population. The Supreme Court dictum has thrown this old and established system out. And the result has been a large and growing movement to restore the right of the states to constitute their legislatures as their people may desire.

At the last session of Congress, a constitutional amendment, usually referred to as the Dirksen Amendment, was offered in the Senate. Its purpose is "... to preserve to the people of each State power to determine the composition of its legislature and the apportionment of the membership thereof in accordance with law and the provisions of the Constitution of the United States." There were 57 yeas and 39 nays. However, the Amendment was rejected, because the necessary two-thirds majority was not obtained. However, as Senator Dirksen has said, "The final chapter has not yet been written. The battle will be continued." And it promises to provide one of the major issues of the current session.

The arguments in favor of the Amendment, and in opposition to forcing all state legislative houses to be apportioned on a population basis only, are many and varied. Justice Harlan, in dissenting from one of the Court's decisions, said: "... judicial entry into this realm is profoundly ill advised and constitutionally impermissible ... the vitality of our political system, on which in the last analysis all else depends, is weakened by reliance on the judiciary for political reform; in time a complacent body politic may result."

A very different kind of argument comes from Senator Dirksen: "The question is not one of rural domination or urban domination or ethnic domination or labor domination or any other type of domination. The issue, simply, is whether the people of a State are to be allowed to determine for themselves the manner in which they would be governed."

Still another telling argument is put forward by the National Council for Fair Reapportionment, Inc.: "This Amendment will cure the present situation in which a bare majority of the voters can deny representation in the State legislature to all other individuals ... It will protect racial and religious minorities."

This Amendment provides for the minority representation in the halls of government and the protection of the rights of individuals to participate. This Amendment will make government more democratic because it will insure the appropriate representation in the State legislature of the 49 per cent of the people who might otherwise be denied representation.

Others, among them Senator Lausche of Ohio, urge passage of the Amendment because they feel that without it legislatures will be dominated by big-city political bosses. And there can be no doubt that the "one-man, one-vote" rule will, in most of the states, give the cities overriding powers at the expense of rural people.

The sparks will fly when the Senate is again called upon to consider the Amendment. And the evidence indicates there is a wealth of public sentiment back of it.

We've been getting a taste of what Admiral Byrd must have got at Little America. Zero weather here is invigorating—but 40 below zero temperatures are something to sneeze at.

Grayling's Green Wave completed the regular high school basketball season last Friday night in a blaze of brilliance when they ran wild over a lanky Marcelona quintet 46-16. This victory marks the eighth consecutive win and should have the local five about right for tournament play which will be held at Gaylord on March 12th, 13th, 19th and 20th. In the preliminary the Grayling Reserves easily defeated a team from Frederic 28-7.

At a special county convention held at the Court House Friday night, the Republicans nominated Superintendent Frank Bond for the office of county school commissioner. Mr. Bond was the only one to file a nominating petition. Mrs. Payne whose term expires this year did not file a nominating petition. Carl W. Peterson was elected chairman of the Republican county committee to succeed Tom Wells who resigned. Earl Burns acted as temporary chairman and Roy Milnes as temporary secretary. Delegates were present from Grayling City and Grayling, Frederic and Maple Forest townships.

It was a gay and happy crowd that gathered at Shoppemagons Inn last week Thursday night to enjoy dancing and the fun of buying at auction the many articles donated by local merchants and others. The party was under direction of Mrs. Stanley—Stealy chairman of the woman's war stamp sales committee. Other members were Mr. and Mrs. Charles Meisel, Roy Milnes and T. W. Hanson. Music for dancing was by the Star Dusters, Grayling's excellent young orchestra, and

that was excellent as usual. The auction with T. W. Hanson doing the auctioneering was one of the most lively affairs yet held in Grayling for the promotion of sales of war stamps. Scores of articles went at fabulous prices, while T. kept the crowd happy with his witty remarks. The auction brought in \$1,108 which was an exception contribution toward Crawford county's stamp sales quota.

Miss Eldena Dreyer, daughter of Mr. and Mrs. Otto Dreyer of Flint, and Pvt. Leslie R. Hunter, son of Mr. and Mrs. William Hunter of Grayling, were united in marriage Sunday, February 21st at the home of Mr. and Mrs. Guy E. Tucker of 104 S. 65th Ave., Tulsa, Okla. Rev. The groom is a graduate of Grayling High School class of 1938 and at present is attending the Air Corps School at Spartan School of Aeronautics at Tulsa, Okla.

## GREAT MONUMENTS

### IWO JIMA

The flag six men raised atop Mt. Suribachi on the tiny Pacific island of Iwo Jima cost 5,000 American lives and 20,000 Japanese. It was a small victory in a large war. Yet on that island men met responsibility for the lives and for the way of life of their countrymen back home. This responsibility gave them the courage to fight the battle of Iwo Jima... "Uncommon valor was a common virtue."

**Gaylord Chest Clinic**  
Not Open April 13th  
Often a tragedy occurs before we remember the old saying, "an ounce of prevention is worth a pound of cure." Such a tragedy did occur in the Detroit area when several children in a nursery school became infected with tuberculosis. Won't you do your part to prevent such an occurrence here in northern Michigan?  
A chest x-ray, free of charge, can be had the second and fourth Wednesday of every month at the Gaylord Chest Clinic, located in the Gaylord State Home. The only exception to this is the 13th of April, the second Wednesday of the month when there will be no clinic. The only April clinic will be on the 27th. The hours are from 1-4 p. m. So please, while the thought is still fresh in your mind, mark the place and time on your calendar for your chest x-ray.  
The only requirement to receive this public service is to have a written requisition from either your family doctor or the health

**Moose Lodge Activities**  
The next enrollment here has been set by the Governor for March 15th. It is hoped to have the Jackson Ritual team here. Their ritual chairman and his wife are graduates of Mooseheart.  
Don't forget, March 18th is the deadline for placing your name for nomination, to be elected a lodge officer for the coming year. If you have someone special in mind, encourage him to place his name for a particular office in the space provided at the club. There are still offices, without names, that wish to be nominated. You must sign your own name. Names put up by someone else should not be accepted. Also some offices are unopposed so far.  
A St. Patrick's Day party is being planned, by the WOTM. Date has tentatively been set for Thursday, March 17th, St. Patrick's day. It was announced at the state board meeting that our lodge has filled its membership quota again this year. We still have a little time to fill another one. Don't you have a friend that would like to join?  
Sorry to omit the name of Bob Annis from the group going to Bay City for the state bowling tourney this past weekend, in last week's column.  
In Mercy Hospital this week are Alfred Hanson, Bill Hall and Everet Jones. "Jonesy" was admitted Sunday for surgery. We hope you are all out soon.  
Bill Fitzgerald, Butch Foster and Chuck Stoddard attended the Ritual school in Saginaw Sunday. M. J. Coffin, state ritual chairman conducted the school and many fine points were learned. Applications for two teams from Grayling have been made to enter state competition in April. This is another milestone in our lodge.  
Another milestone will be voted on at our regular meeting this Friday night starting at 8 p. m. at the lodge. If passed it can mean a boost to our lodge, and a big boost to our city, at a slack time of year. Remember, you and I, as members have the final say only if we attend the meetings.  
This Sunday at 11 a. m. is the 10th of the Moose breakfast meeting.

### St. Mary's Holds

A large gathering of members of St. Mary's church enjoyed a pre-Lenten party at the parish hall Shrove Tuesday. It began with a potluck dinner and the buffet spread reminded one of the smorgasbords for which the Altar ladies are so famous. Japanese lanterns hung from the ceiling and the tables decorated with lighted tapers and red crepe paper gave all a festive look. Each guest was given a number on arrival, and at various times gifts were given out to those holding lucky numbers. For fun, each person received a tiny bell tied with red ribbon to be worn on the wrist, which had to be surrendered to anyone who could make the bell-wearer say "no" in conversation, the object being to collect the largest number of bells possible. Mrs. Earl Whaley and William Kraus wound up with the largest number of bells at the close of the evening.

Chairman for the fun evening was Mrs. Tom Douglas, assisted by Mrs. William Kraus, Mrs. Cyril Houle, Mrs. Irving McIsaac and Mrs. Joseph Cinciala.

### CARD OF THANKS

I wish to extend my thanks for cards and gifts from friends, the Frederic Woman's Club, Fire Department, Hobby Club, and the Saturday night bunch during my stay in the Ann Arbor hospital.
